SPEAKER: Could I have the attention of the body just a moment? LR106 is ready for Final Reading and the Chair will rule that 25 votes will pass LR106. It is a Resolution. It has been handled as a bill and therefore because of those reasons I am ruling that 25 votes will pass the bill.

CLERK: Read LR106.

SPEAKER: (while LR106 is being read) Chair Recognizes Senator Barnett. For what purpose do you rise?

SENATOR BARNETT: Can you tell us where this is found. They have tried so many times to put amendments on it. I would like to look at it to say what it really says.

CLERK: Page 117.

SENATOR BARNETT: In the Journal?

CLERK: Yes. (Continues to read LR 106).

SPEAKER: While all provisions of law relative to procedure having been complied with, the question is, "Shall the Resolution be adopted?" The Clerk will record.

CLERK: 29 ayes, 7 nays and 13 not voting. Vote appears on page 749 of the Legislative Journal.

SPEAKER: Having received the proper number of votes, LR106 has been adopted. We will now revert to Select File. Chair recognizes Senator Syas. For what purpose do you arise sir?

SENATOR SYAS: Well, since Senator Lewis isn't here today and 666 is his bill, yet it has to be passed on the 26th, and there are E & R amendments to it, I would suggest that we take up the E & R amendments. I don't think that would harm anything, but from now on, after we do that, I think that it is his bill and I don't want to interfere with it at all. I see no harm in adopting the E & R amendments.

SPEAKER: Chair recognizes Senator Dworak.

SENATOR DWORAK: I don't have 666 on my list.

CLERK: There are E & R amendments to 666.

SENATOR DWORAK: Mr. President, I move the E & R amendments to LB666.

SPEAKER: All in favor of the E & R amendments to LB666 indicate by the usual sign. Opposed? Motion carries.

SENATOR DWORAK: I move that LB666 be advanced to E & R for Engrossment.

SPEAKER: Hearing several nos, the Chair will indicate that we will have a machine vote. For what purpose do you rise Senator Stull?

SENATOR STULL: Mr. President, the bill is on E & R now, and wouldn't you have to return it to Select File for the Amendments?
